WASTEWATER PROFESSIONAL CODE OF CONDUCT

The Wastewater Professional Code of Conduct requires certificants holding Wastewater Treatment Plant Operator, Collection System Operator, Industrial Waste Operator, Industrial Waste Inspector, Plant Maintenance Technologist and Wastewater Quality Analyst certifications to act honestly, competently, and with integrity and to use their knowledge and skill for protection of the environment. As a condition of holding and maintaining a Nevada certification, I agree to:

- Be truthful and accurate in what I say, do, and write.
- Adhere to all laws and regulations applicable to the profession.
- Promote and encourage the highest quality of wastewater facility/system operation within the industry.
- Not misrepresent nor permit misrepresentation of my qualifications or the qualifications of my associates.
- Not conduct myself in a manner that subverts or attempts to subvert the minimum certification requirements, application processes, or examination processes.
- Uphold and follow all certification policies and procedures.

I certify that the information provided, including attachments, is true and accurate. By signing this application, I agree to adhere to the Wastewater Professional Code of Conduct. If this information is found to be untrue or inaccurate, I am aware that my certification may be suspended or revoked.

DATE: _____ SIGNATURE: _____

The nonrefundable application fee of \$150 payable to N.W.E.A. (Nevada Water Environment Association) is due and payable at the time of filing this application. Certificates are valid for two years, and renewable upon payment of \$130 fee. You can also pay with a credit card. The Program Administrator will call to obtain the credit card information. The credit card information will not be stored.

Incomplete applications awaiting additional information and/or documentation will be forfeited after 90 days, upon which the candidate will need to submit a new application and fee.
