WASTEWATER PROFESSIONAL CODE OF CONDUCT

The Wastewater Professional Code of Conduct requires certificants holding Wastewater Treatment Plant Operator, Water quality analyst, Industrial Waste Operator, Industrial Waste Inspector, Plant Maintenance Technologist and Wastewater Quality Analyst certifications to act honestly, competently, and with integrity and to use their knowledge and skill for protection of the environment. As a condition of holding and maintaining a Nevada certification, I agree to:

- Be truthful and accurate in what I say, do, and write.
- Adhere to all laws and regulations applicable to the profession.
- Promote and encourage the highest quality of wastewater facility/system operation within the industry.
- Not misrepresent nor permit misrepresentation of my qualifications or the qualifications of my associates.
- Not conduct myself in a manner that subverts or attempts to subvert the minimum certification requirements, application processes, or examination processes.
- Uphold and follow all certification policies and procedures.
