

**State of Nevada**  
**Application for Renewal of**  
***Nevada Wastewater Restricted Certification***

**STATE OF NEVADA, WASTEWATER CERTIFICATION RENEWAL CYCLE INFORMATION**

**When you renew, ensure your application is complete. You must submit:**

1. The Renewal Application;
2. A check for \$70 or a properly processed e-payment receipt (attach it or write the confirmation number on front of application); and
3. Copies of certificates for contact hours earned during the two year cycle in which the certificate was in force. Please, make sure the application is filled out **completely**.

**A few notes to make processing your application faster:**

1. Fill out all pages of the application. Be sure to **sign and date** the second page.
2. Submit copies of certificates from contact hours earned during the two year cycle in which the certificate was active.
  - a. Grade I Restricted operators are required to submit 5 hours of preapproved training.
  - b. Grade II Restricted operators are required to submit 10 hours of preapproved training.
  - c. Grade III Restricted operators are required to submit 15 hours of preapproved training.
  - d. Grade IV Restricted operators are required to submit 20 hours of preapproved training.

*Contact or training hours are not transferrable to more than one certificate renewal.*
3. Submit your application **early**, if we need clarification, we will strive to contact you prior to the deadline date. If you wait to submit until due date and we find your application to be non-approvable, you risk having to reinstate with penalty costs incurred.
4. **YOU** should review your application for completeness/accuracy before you sign it, especially if someone else filled it out for you. **Your operator certification is a license to work.** It only takes a few minutes to review your application to make sure it is accurate and complete.

**Help us to help you get your renewal cards on time! Get your applications in early! Don't risk being denied because we need more information!**

## **CODE OF CONDUCT**

The Wastewater Professional Code of Conduct requires certificants holding Wastewater Treatment Plant Operator, Collection System Operator, Industrial Waste Operator, Industrial Waste Inspector, Plant Maintenance Technologist and Wastewater Quality Analyst certifications to act honestly, competently, and with integrity and to use their knowledge and skill for protection of the environment. As a condition of holding and maintaining a Nevada certification, I agree to:

- Be truthful and accurate in what I say, do, and write.
- Adhere to all laws and regulations applicable to the profession.
- Promote and encourage the highest quality of wastewater facility/system operation within the industry.
- Not misrepresent nor permit misrepresentation of my qualifications or the qualifications of my associates.
- Not conduct myself in a manner that subverts or attempts to subvert the minimum certification requirements, application processes, or examination processes.
- Uphold and follow all certification policies and procedures.
